

APPLICATION TO FOSTER/ADOPT

A nonrefundable, tax deductible \$25.00 processing fee is required to submit a Foster/Adopt Application Form. An application for adoption is not meant for any particular dog, as dogs are placed after review of all applications and home evaluations to make sure that the best suited home for the dog is selected.

The Foster/Adopt Application Processing fee is not applied to the Adoption Fee.

RAGofAZ cannot predict the length of time it will take to place a dog in your home, nor does it guarantee that a dog that matches your request will become available.

Thank you for taking the time to fill out this application. We realize it is lengthy, but please fill out this form completely, as it will speed up the process. Please print clearly and legibly. Include area codes with all phone numbers, and please include your e-mail address. A representative from our Golden Evaluation Team will contact you as soon as possible after we receive your application.

This is a combined Foster Home, and Adoption Application. Please answer the questions in this application with your ultimate goal in mind, whether it is to foster or to adopt a rescued Golden. If a question does not apply to you, please write N/A in the response area.

E-mailing your application is the preferred and quickest way to submit your application. After completion, e-mail to goldenadoptions@golden-retriever.org

Faxing is another way to send your application. You may fax to: **815.301.8200**

You can submit your Application fee either by credit or debit card using the form near the bottom of this application.

Or, you may **mail** your completed application along with the application processing fee to:

For people interested in FOSTERING: Our foster homes are a very important link in the rescue chain. If your application is approved, you will be entered into our database for families interested in fostering rescued Golden Retrievers. The Foster coordinator will use the information you provide to assist us in placing a dog in your home. The Foster coordinator, or designee, will contact you when a dog needs a foster home. Foster families may indeed adopt their foster Golden and have right of first refusal prior to another family being identified and notified. Foster families must fill out the appropriate paperwork, including contracts, and pay the adoption fee. Thank you so much for offering to open your home to give a Golden a second chance.

Once you are selected and called to foster a dog, you are required at that time to become a RAGofAZ member.

For people interested in ADOPTING: Thank you for your interest in RAGofAZ. Once your application is approved, you will be notified by either E-mail or a phone call, then you will be placed on our waiting list.

The Placement Team will carefully match your lifestyle and needs with a Golden as they become available. If you get a Golden from another source, or change your mind about adopting from us for any reason, please notify us so we can remove you from our waiting list.

Once you are called and accept a dog, you are required at that time to become a RAGofAZ member.

A copy of the Rescue A Golden of Arizona Membership Subscription Application is attached to retain for future use.
