

The Desert is Waging War On Our Pets

Unique Regional Products for Dogs Living,
Working, Playing and Visiting The Desert Southwest

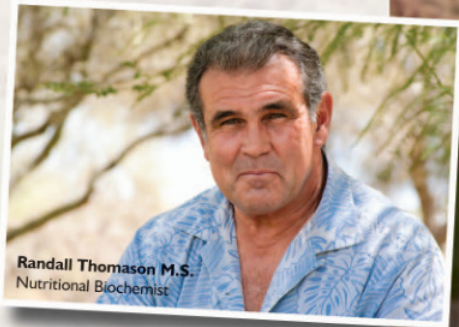

Desert DEFENSE™

A Multi-Nutrient Formula For Dogs

Desert DEFENSE™ for Dogs was designed and tested to boost a dog's natural defenses against the unique host of fungal, parasitic, viral and bacterial pathogens that flourish in the Desert Southwest.

Biochemist Formulated

Randall Thomason has 30 years of formulation experience designing compounding drugs and nutritional supplements. He brings you cutting-edge, scientifically researched, nutritional products created for his pets and yours. Products have absolutely no fillers and 100% human and pharmaceutical-grade ingredients in patent pending synergistic combinations.

Randall Thomason M.S.
